UPDATE

We hope you had a wonderful summer! Another school year has begun and with it come new routines to re-adjust to, lunches to be made and the busyness of activities.

The Starbuck Home and School Association is excited to be up and running again and is looking forward to working with our school community to find creative ways to support our children.

Thank you to the families who participated in the survey sent out in June. Your input has been informative to help us determine our priorities and initiatives. If you missed the survey but have ideas, questions or thoughts you'd like to share, we welcome them at anytime. Families can participate in the Home and School Association without sitting on the board! We welcome participation by attending meetings or by email.

We look forward to a great year!

Sincerely,
The Starbuck Home and School
Association Board
